

# SHREDFEST 4

## ARRIVAL INFO

GATE OPEN THURSDAY 6/13 at 12PM. Pro Tip: Enter directions into your GPS/Phone while you still have service. Expect to lose signal as you get closer to the venue. From the slight right onto Mitchell Mill Rd it will be about 1.5 miles, crossing a small bridge as you enter the property. No Early Arrivals

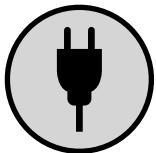

Have your Eventbrite tickets handy as you arrive. We'll get you checked in, you can set up camp, and downhill racers can visit the race ops tent on Friday morning for timing chips and bibs.

Camping will be located in a large tree-ringed meadow. Festival-style camping - not designated spots, set up anywhere outside of any roped off areas (vendors, etc). Be respectful of neighbors, plenty of space for all to be comfortable. Tent campers will drive in to unload and set up, then park in a designated parking area. Only RV/Trailers and those with a Car/Van Camper Pass and camping in/on their vehicles will be parked in the meadow.

Have kids or want a quieter spot? We know some of you may want a little more quiet so we have a Family Camp area located away from the main stage and meadow. We'll direct you as you come in.

No onsite power is available at Blue Mountain Event Center. We will have a charging area set up in vendor row with plenty of juice to keep our PEVs full all weekend. You are also welcome to bring your own power source. Please be respectful with generator noise after 10pm.

You are free to Cook, Grill, BBQ at your site. No campfires are allowed at your campsite or anywhere at Blue Mountain Event Center with the exception of the main campfire circles located near the stage.

Can you hear me now? Cell service is limited at the venue. Verizon gets some signal throughout most of the property, AT&T and others tend to only get service near the mountain top where our races will be staged. Enjoy the opportunity to disconnect.

There is a potable water source in the meadow for refilling water – look for the red hand pump along the left past vendors. Bagged ice is available from the Blue Mountain Event Center. Hot showers are available from Blue Mountain Event center for \$5 each, located near the food vendors.

Food? Cook your own OR choose from multiple food vendors located onsite all weekend. All food is a la carte this year with no meal plan available. Vegetarian and Vegan options available.
