13	Chris Romine
14	Ken Doering
15	Bryan Barnard

ORL Results were determined in the following method:

- * Positions 1-6 are based on order of who crossed the finish line in Finals
- * Positions 7-12 are determined by using time trial times as the tie breaker between each pair of riders that finished 4th, 5th, and 6th in semi-finals.
 - * For example if Rider A finished 4th in Pro Men Heat 1 Semis and Rider B finished 4th in Pro Men Heat 2 Semis, then 7th place goes to whichever of those riders had a faster time trial time on Friday and 8th goes to the other 4th place semifinalist. This continues on to determine places 9-12.
 - * For ShredFest 5 next year, we will implement a consolation race to determine places 7-12, where the bottom 3 finishers in each semi-final will head back up to race each other for places 7-12.
- * Positions 13 and above are determined by Time Trial times from Friday.
